Re: Response to April 17, 2007 letter regarding 12 Day Pre-General Report
(10/1/06 - 10/18/06)

Dear Ms. Hubbard:

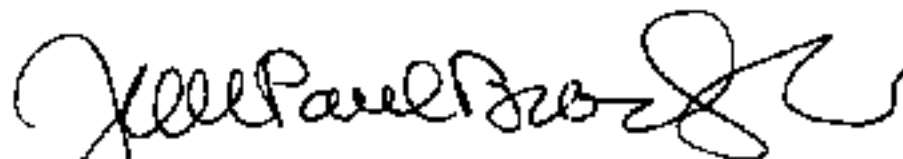

This letter is in response to the above-referenced inquiry. All of the matters addressed in your letter have been corrected in amended reports that will be filed no later than May 17.

Specifically, the discrepancy in the aggregate election cycle-to-date totals for Action Committee for Rural Electification was due to the Committee being entered twice in our database. We have corrected that error and checked for other duplications.

The information requested regarding the occupation and employer of certain contributors has also been corrected. We had a staff change toward the end of the campaign that resulted in this task not being completed.

I hope this information and the amended reports provides the requested data. If you have any questions, please feel free to contact me.

Sincerely,

By:
